My CA Pathway

Anusha Rajeev

B.Com + CA

Good morning respected members.
Today I'm talking about the B.Com plus CA pathway, a popular career choice in commerce.
It combines a B.Com degree with the Chartered Accountancy course, which includes four stages: CA Foundation, CA Intermediate, Articleship, and CA Final.
The journey takes about 4.5 to 5 years.
This path offers strong career growth, job security, and opportunities in finance, auditing, and taxation.
Along with this, B.Com provides strong academic support.
However, it requires hard work, discipline, and good time management.
In conclusion, B.Com plus CA is a challenging but highly rewarding career path for students in commerce.
Thank you.
